UTILITY ROOM

- Here you will find the washing machine and tumble drier, along with the following:

electric fan  
ironing board  
steam iron  
floor brush  
dustpan & brush  
clothes basket  
peg bag  
sponge & bucket  
dog towel as required

## LIVING /DINING ROOM

This open plan area affords magnificent views over the loch from the large church windows. Here you can relax on comfortable settees, read the paper at the round dining table or chat with friends as you prepare food in the adjoining kitchen – all whilst listening to some carefully selected Scottish music. There is a selection of games, books, CDs and DVDs for your enjoyment. There is wide screen TV with surround sound.

Instruction manuals, maps and a guide book are available for your information.

## BEDROOMS

All bedrooms are fully furnished with colour coordinated linen and towels, each of the rooms having its own style

Two master bedrooms upstairs, each with king-sized bed, have en-suite bathrooms, and there are two twin-bedded rooms downstairs, on the same level as a third bathroom which has separate bath and shower.

All beds have orthopaedic mattresses, electric blankets and downies which can be changed according to preference: summer weight; medium weight, or winter weight.

A cot is available for use for which personal bedding should be supplied by yourselves.

Hairdryers are available in each bedroom.

A separate lighting circuit has been installed which allows bedside lamps to be switched on and off at both door and bedside switches in the upstairs rooms.

## BATHROOMS

There are three bathrooms, also fitted with showers, heated floors, heated towel rails and shaver sockets

As with the rest of the house, the bathrooms have been styled individually.

## HALL

There is generous hanging space for coats in the front hall.

Stairs in the back hallway lead to the gallery and upper floor, whilst downstairs there is an airing cupboard off the hall.

## GARDEN PATIO

There is a landscaped area to the rear of the house, equipped with 8 chairs, table and parasol. A shed supplies storage for your bicycles. Here you will also find a barbeque, clothes drier and sun-lounger.

## CAR PARK

This enclosed area provides ample parking for 4 cars and is reached via a lane to the rear of the property.
